POLICY: PUBLIC HEARINGS

CODE: BDE

The Board may authorize and conduct public hearings whenever it deems such action needed to serve the best interests of the public.

In all such instances, the broadest possible informative publicity relative to the hearing topic at its importance to the district shall be undertaken. If, in its good judgment, the Board so decides, expenditure of public funds to present all sides of the issue to the public may be authorized. Public funds may not be expended for advertising to advocate a yes or no vote at any subsequent election on any measure.
