

## REEDSPORT SCHOOL DISTRICT

---

POLICY: INFECTION CONTROL - HIV, AIDS, HBV

CODE: EBBA

---

The district shall develop an exposure control plan that includes infection control procedures for staff and students.

Staff and students shall receive an annual inservice that includes correct procedures for cleaning up body fluid spills and for personal cleanup, immunization and personal hygiene, as well as the location and a content review of first-aid and clean-up kits. Kits shall be available for each room in the building and in each district vehicle.

In addition to an annual inservice, staff and students on a regular basis will receive HIV, AIDS and HBV information.

The information shall emphasize infection - how infection is spread as well as how it is not spread.

END OF POLICY

---
