

REEDSPORT SCHOOL DISTRICT

POLICY: REPRODUCTION OF ALL COPYRIGHTED MATERIALS

CODE: EGAA

Infringement on copyrighted material, whether prose, poetry, graphic images, music, audio tape, video or computer-programmed materials, is a serious offense against federal law and contrary to the ethical standards required of staff and students alike.

Violations may result in criminal or civil suites.

The Board therefore requires that all reproduction of copyrighted material be conducted strictly in accordance with applicable provisions of law. Unless otherwise allowed as "fair use" under federal law, permission must be acquired from the copyright owner prior to reproduction of material in any form.

"Fair use" is not a rigidly defined term. "Fair use" is based on the following standards:

1. The purpose and character of the use;
2. The nature of the copyrighted work;
3. The amount of and the substantiality of the portion used;
4. The effect of the use upon the potential market for, or value of, the copyrighted work.

If an individual questions the legality of duplicating materials, he/she should seek permission from the copyright holders.

Employees in violation of copyright law may be required to remunerate the district in the event of loss due to litigation and may be subject to discipline up to and including dismissal.

The superintendent will develop administrative regulations that provide guidelines for the "fair use" of copyrighted materials that meet the requirements of Section 107 of the Copyright Act of 1976 and applicable amendments.
