The Board of Directors may from time to time find it necessary to lease properties on a short term basis to provide additional space for classrooms. Important points to consider in negotiating such a contract include:

- Proximity to the school plant where overcrowding exists;
- Proximity to existing bus runs;
- Availability;
- Adaptability for needed purposes and safety requirements;
- Freedom from encumbrances, both present and future;
- Price and term of the lease;
- Meets with the approval of the Oregon Department of Education.
