---

### REGULATION: ACTIVITIES AND ATHLETICS CODE OF CONDUCT CODE: IGDJ-AR1 OSAA FINES AND EJECTIONS RULE

---

When a student athlete/coach is ejected from an OSAA sanctioned event the school will be fined. Each additional ejection throughout the course of the sport's season will increase the total amount of all fines. Fine amounts will be added together and divided by the number of offenders to reach the determined amount at the end of the sport's season. The school district will not be responsible for paying these fines; they are the personal responsibility of the ejected athletes/coaches. The athlete/coach will not be eligible to participate /coach in any succeeding sport's season and/or graduation until fines have been paid. All ejection fines for physical contact with an official and/or fines for gross acts of unsportsmanship like behavior will be the responsibility of the ejected/subject coach/athlete.
