

REEDSPORT SCHOOL DISTRICT

Policy: FUND RAISING FOR ACTIVITIES

Code: IGDJAA

Fund raising to support student activities will be allowed within the parameters established within this policy and policy IGD- Co-Curricular/Extracurricular Activities. The program must operate completely within the district policies and in accordance with appropriate district guidelines.

The district will manage the program consistent with criteria established by appropriate external governance organizations (i.e. OSAA - athletic competition, FBLA State Board of Directors-FBLA competition and activities, MUN state Board of Directors-MUN activities and state meetings, Reedsport School District 105-Knowledge Bowl). Salaries and benefits paid for staffing of programs instituted in this manner will conform to district labor contracts. Even though the funds have been raised through donations the program will conform fully to district contracts and procedures in all aspects. The disposition of any funds will be a district office responsibility.

To allow for adequate scheduling and management the funds must be fully received and deposited in the district accounts per the following schedule: fall activities by June 1, winter activities by September 1 and spring activities by January 1.
