

# REEDSPORT SCHOOL DISTRICT

---

POLICY: STUDENT AUTOMOBILE USE

CODE: JHFD

---

Special traffic regulations are necessary to insure orderly parking and to promote the safety of persons and property on school district premises. These regulations will also aid the school administration in its function and will insure that the administration has knowledge of the whereabouts of students during the school day, as has been desired by parents.

Rules adopted for governing the use of student vehicles will be widely circulated and permission to drive a vehicle onto school premises may be revoked without demonstrated cause.

Any licensed driver may drive a vehicle onto the school premises subject to the following conditions:

1. No student vehicle will be permitted to leave the school grounds during the hours in which school is in session without permission of the school administration;
2. Operation of the motor vehicle on school premises must be in conformance with all school, local and state traffic laws;
3. Signs giving notice of special rules governing the operation of motor vehicles will be posted where appropriate;
4. Violation of school rules and regulations or state laws governing the operation of motor vehicles may result in disciplinary action, including, but not limited to, the withdrawal of privilege to operate motor vehicles on school premises.

END OF POLICY
