

REEDSPORT SCHOOL DISTRICT

POLICY: READER BOARD

CODE: KBAA

The Board of Directors is interested in sharing school program information and partnering with community service organizations in posting information about community activities through the district reader board. Reader board messages will be limited to district school events, Reedsport-Winchester Bay Chamber of Commerce events and Reedsport area nonprofit community service agencies.

Birthday or other personal messages will not be posted on the reader board. School events and activities will take precedence in placement on the reader board. Messages may be edited to appropriate length, language or content. The Reedsport Community Charter Principal or designee has the authority to authorize messages outside of these designated guidelines.

Reader board messages must be approved by the Reedsport Community Charter School Principal or designee prior to posting.

END OF POLICY
