

REEDSPORT SCHOOL DISTRICT

POLICY: DISTRICT EQUIPMENT USE

CODE: KGF

The Reedsport School District Board believes that school district equipment is primarily purchased to provide for and/or enhance students educational programs. It is the Board's responsibility to protect and maintain this equipment. The Board is also responsible for establishing guidelines concerning equipment which may be used by the public and conditions under which it can be used. Equipment will be available only to Reedsport School District residents and school district employees.

In all cases of public use, equipment shall not be used for private financial gain. An equipment use form (KG-AR) must be submitted and approved, and all conditions outlined on the district equipment list must be adhered to. There are no equipment-use fees. In the event of "excessive damage," a fee will be determined according to the repair or replacement costs. Transportation of borrowed equipment will be the users responsibility.
