Compliance Status for 2018-19 school year: "Out of Compliance"

Explanation: Highland Elementary School specials rotation does not contain the minimum number of minutes for PE. The focus on scheduling was to ensure reading/math/writing were prioritized which left PE minutes falling short.

Proposed Corrective Action: The master schedule will be reviewed for the coming school year to look for ways to add PE instructional time. Considerations will still need to go to core instruction but areas such as music and other specials might get reduced to find the necessary minutes.

If that option does not become available, the second effort will be to assign a current employee to the position at least at a part-time effort. This might include developing a stipend for the work if necessary, to be conducted as additional hours.
