

TOO SICK FOR SCHOOL?

Students can go to school if:

- They have a runny nose or little cough, but no other symptoms.

• They haven't taken any fever reducing medicine for 24 hours, and have been fever - free during that time.

• They haven't thrown up or had diarrhea for 24 hours.

Keep students home if:

- They have a temperature higher than 100 degrees even after taking medicine.

• They are throwing up or have diarrhea.
• Their eyes are pink and crusty.

Call the doctor if:

- They have a temperature higher than 100 degrees for more than two days.

• They have been throwing up or have diarrhea for more than two days.

• They have had the sniffles for more than a week, and aren't getting better.

Home is the best place for a student who is ill. Please contact your school as soon as possible to plan for your student's absence and ensure your student stays on track.

If your student is sick with a diagnosed communicable disease please notify the school as soon as possible. This notification will assist others who, due to medical reason and/or treatments, have weakened immune systems and may require immediate and specialized care.
