Process:

- Complete grant application
- Be sure it is signed by the person applying, the building principal, and the District superintendent
- Send 7 copies of the grant application to the REEF Board at the address at the top of this form
- Grant requests of \$1000 or more will need to be presented in person at a REEF board meeting to justify the funds requested
- Upon review of your grant request, you will be notified by phone or email of the result. If approved, REEF brings the money to the District Office along with a copy of the grant request. The District will then distribute that money to the involved parties.

Grants may be fully or partially funded depending upon the discretion of the REEF Board.

So that REEF's funds may benefit as many youth as possible, we request notification and withdrawal of your grant application should your project acquire funds for completion from another source.

The REEF Board meets on the first Wednesday of each month. Please allow enough time for a grant review prior to your project date.
