

Dear Head Start and Early Head Start families,

As many of you may have heard, the Reedsport School District recently announced that due to budget deficits, they have had to make some significant changes to the 2023-2024 school schedule.

Unfortunately, these adjustments will also directly affect the operations for our Head Start and Early Head Start classrooms.

After careful consideration the district has implemented 8 furlough days for all Reedsport schools, district buildings and operations which means that all three of our classrooms will also be shut down during this time.

Although Head Start and Early Head Start programs and services are not directly associated with the Reedsport School District, we have maintained a long-standing partnership over the years. We have had the opportunity to utilize district offices, facilities, and classrooms to provide Head Start services within the Reedsport Community.

Please know that we understand the impact these closures can have on our Head Start families, and we sincerely apologize for any inconvenience this may cause. Below is a list of all furlough closure dates, if you have any questions or concerns, please feel free to reach out.

- Monday May 20, 2024
- Tuesday May 21, 2024
- Wednesday May 22, 2024
