2024-2025 Fiscal Year Budget Message

The 2024-2025 school budget is designed to meet the overall needs of the students in the Reedsport School District. It is presented as a required by ORS 294.305 through 294.520. In developing this budget, the school district re-establishes a focus on supporting students, staff, and schools in achieving successful outcomes.

This budget is based on the second year of the 23-25 State School Fund (SSF) allocation of \$10.2 billion, with a 49/51 split. The extended ADMw for the district decreased to 811.20 for 2024-2025, for an overall SSF allocation estimate of \$6,286,389. Revenue estimates for the General Fund project our resources at \$9,648,889 for the coming fiscal year, as compared to \$10,697,362 for the current year. This represents a decrease of \$1,048,473, which can be attributed to the State School Fund Revenue adjustment for the prior year related to declining enrollment, decreased average years of experience for licensed staff, and fewer students in Oregon school compared to enrollment prior to COVID-19. While this statewide trend in funding has had dramatic impacts all around the State, Reedsport will need to adjust its budget to meet the new demands with fewer resources from the State.

The budget proposed tonight will allow the District to continue pursuit of its Continuous Improvement Plan, while working to rebuild an ending fund balance and build reserves, as directed by the School Board. After unexpectedly furloughing 8 school days in school year 23-24 and depleting reserves, we will be committed to supporting our staff and the students of our community with a sustainable budget moving forward. This will be accomplished using many reductions in programs, staffing, and services compared to recent years. Reductions in programs creates challenges for students, staff, and our entire community. Without an overall re-investment from the State in its education system, schools like Reedsport will need to defer maintenance of its buildings, overburden staff with new responsibilities, and cut back on high interest programs. As long as the State continues to ignore funding schools like Reedsport using a researched Quality Education Model, too much of the burden of supporting the schools will fall on the community and families.

Some of the programs that will see reductions have had increased funding added in the past few years. Scaling back programs that attempted to grow is frustrating. Returning programs to pre-COVID levels means that students will see reduced support in the school day and through district programs. Reductions mean that community and families will see an increased need to support their students and staff. Reduced funding also means that the school district will need to assess and collect fees where previously we were able to waive them to support our community. Reedsport has shown time and again that it cares for its schools and students. Refocusing our expectations of what the schools provide after the State's recent reduction in funding will be

necessary and will take time to acclimate to. Overall, this level of State funding is not enough for us to do the work we want or to support our students and staff appropriately. Being forced to scale back hurts any progress we had made up to this point. These program areas will need to be watched closely and need to be returned to more appropriate levels as soon as practical.

With a need to now rebuild the budget's unappropriated ending fund balance (EFB) and contingency funds (CF) for emergencies, we present this budget with a 2-year focus. We will be looking to return to the \$500,000 EFB this year, along with \$350,000 of the board-directed \$500,000 CF. The remaining \$150,000 CF saving will be scheduled for replacement in the 2025-2026 school year. This will ensure the District once again has a strong financial foundation with \$1,000,000 in General Fund reserves by the end of 2025-2026.

In order to keep programs afloat, one area of this budget shows decreases in transfers to reserves in Special Revenue Funds. Specifically, the reserves for technology, curriculum, vehicle replacement, food services, and capital improvement (facilities) are funded at very low levels. These program areas will be watched closely and need to be returned to more appropriate levels as soon as practical.

This budget is founded on the fiscal development of our District programs and commitment to ensure academic and social success of our students, and empowerment of our staff. It is educationally sound, fiscally responsible, and in compliance with statute. I appreciate the support, participation, and input provided by the community, families, District staff, and School Board members in the collaborative budget presented.

Yours in education,
Jon Zwemke, Superintendent

Board of Directors

About the Board

Reedsport District schools are governed by a five-member board, responsible for setting policies which are designed with the goal of delivering the best possible education to each child. The policies govern budgetary, facility and personnel resources, as well as the students, faculty and staff at each school. School Board policies also ensure that the local schools comply with state and federal laws.

Meetings

The school board meets virtually in regular public sessions on the second Wednesday of each month at 6:30 pm at the District Office, 100 Ranch Road, Reedsport. This schedule sometimes varies, and special meetings and work sessions are scheduled as necessary.

The agenda for school board meetings and background information about the agenda are posted online in advance of each school board meeting.

How to watch: Board meetings and work sessions are streamed online.

See the **Virtual Meeting Rules** below or **click here** for a printable copy.
