Identifier #	Annual Response Question	2023-24 Annual Progress Reflection	2024-25 Annual Progress Reflection
1 AR1	<p>As you review your progress markers/overall reflection responses and reflect on plan implementation, how do you see your progress contributing to the Outcomes and Strategies in your plan and your Longitudinal Performance Growth Targets (LPGT)/Local Optional Metrics (LOM)?</p> <p>Discuss at least one Outcome where you have seen progress in implementation.</p>	Even though we met our goal, we still have concerns and will continue to track this number. We continue to see academic differences between grade levels of students in a "apples and oranges" scenario. Due to our small sizes, one or two students create big swings in our numbers.	
2 AR2	<p>Where have you experienced barriers, challenges, or impediments to progress toward your Outcomes and Strategies in your plan that you could use support with?</p> <p>Discuss at least one Outcome where you have seen challenges or barriers to implementation.</p>	Funding challenges from the state school fund have resulted in substantial overhauls to programs due to staffing. Our intent for increasing student outcomes remains, but actual performance level is going to take a while to recover in our district.	
3 AR3	2024-25 Only: Review actual metric rates compared to previously created LPGT and LOM and share reflection on progress. Describe how activities are supporting progress towards targets and if any shifts in strategy implementation are planned for the future based upon that current progress. Include specific metrics and target types in your reflection.
