To the family of Riley Meyers,

It is my great pleasure to announce that your daughter is the recipient of the Superintendent's Award for the month of January, 2026. Riley is being recognized for her exceptional qualities and the positive impact she makes each day in our classroom and school community. Riley embodies the very best of our district's values, and she approaches each day with a bright spirit and a genuine love of learning.

Riley's kind and caring nature shines through in all that she does. She consistently demonstrates empathy and a willingness to help those around her, making our classroom a warm and welcoming place for her peers. She has a generous heart and I love being witness to her thoughtful interactions with others.

In addition to her kindness, Riley is known for her artistic talent and her remarkable attention to detail. Whether she is creating artwork, engaging in class discussions, or completing assignments, she approaches her work with care, creativity, and a strong desire to do her best. She remains fully present and engaged in her learning, showing a level of focus and dedication beyond her years.

Riley is truly a one-of-a-kind student—a child whose curiosity, enthusiasm, and eagerness to learn make her an absolute joy to have in class. Her commitment to growing as a learner and as a friend sets a wonderful example for her peers.

On behalf of the entire district, please accept my heartfelt congratulations. We are incredibly proud of Riley and grateful to have her as part of our school community.

Sincerely,

Lisa Dailey

To the family of Harley White,

It is a joy to recognize Harley White as the recipient of the Superintendent Award. Harley is a delight to have in class, and she regularly displays all the qualities you hope to see in a student—kindness, helpfulness, eagerness to learn, and genuine courtesy. Her respect for her teachers and her strong work ethic shine through in everything she does.

Harley approaches every assignment with care and pride, always striving to make her work not only correct but beautiful. I especially love seeing her smile when our math centers involve fun tools like rubber stamps or colorful markers—it's a reminder of how much joy she brings to learning.

Whether she is listening attentively during a lesson or energetically helping to tidy up the classroom at the end of the day, I know Harley will choose to do the right thing. She is truly one of the best listeners I have ever had the privilege of teaching, and her respectful behavior sets a wonderful example for her classmates.

Congratulations to Harley and to your family on this well-deserved honor. She has worked so hard, and I am deeply grateful for the positive spirit she brings to our classroom every day. Thank you for sharing this amazing young lady with me—it has been a privilege to teach her.

With heartfelt appreciation,

Jennifer Wright

To the family of Noah Bloesch,

It is a pleasure to recommend Noah for the Superintendent Award this month. He is such a well-rounded young man who exemplifies the qualities that I believe a recipient of this award should have. He's hardworking, dedicated to his studies, his friends, and his extracurricular activities. He's responsible, respectful, and reliable. Kindness radiates from him and his subtle sense of humor is something that many may not see immediately, but often makes those around him feel comfortable and at ease in the classroom.

As a student, Noah has shown a sense of maturity that many his age lack. He's on time to class, timely with his assignments, and maintains focus when things around him get a little distracting. He's quick to help those around him and redirect his group members to remain on task. More than that, he's adaptive and unafraid to put himself out there for projects and assignments – or if I simply need a volunteer for something unconventional. For example, recently during a short story unit in our senior English class, I was feeling under the weather. I couldn't read without coughing and yet we had established a routine of reading out loud together as a class. Noah took it upon himself to volunteer and create "Story Time With Noah" to help me out. He pulled up a chair, sat in front of the class, and read. This not only helped me, but entertained the class and kept them engaged with the material.

This wasn't the first time he's been noticed for doing something like this either. His other teachers have talked about his willingness to stand up and command the room with respect and integrity. He has a way about him that makes people listen and want to pay attention. He's also been known to go the extra mile with projects, such as creating an engaging podcast to recap major events of a novel or seeking guidance when writing a creative short story that he wasn't feeling as confident in initially.

Noah is also my student aide this year and has been more than an asset to me in the classroom. He has helped me stay organized and prepared for my lessons. He's helped students with their work. He's even helped make sure things get done with my subs when I've had to be absent. He's never complained and always looks for some way to keep himself busy by helping me or others out.

On a personal note, I appreciate Noah's stoic nature and sense of humor. He's always the calm in the classroom. He can hit a joke's punchline with ease as well as settle and sit in the background when I need things to remain quiet. He is friendly and goodnatured with everyone and makes everyone feel accepted and comfortable. It's nice to see someone who is willing to treat others so kindly.

I know that Noah has aspirations to join the Coast Guard and I applaud him for this ambitious goal. His dedication to hard work, his resilience and his strong sense of responsibility will surely help him in this endeavour. He will surely be successful in this goal and any other that he should set his mind to. I'm proud of you Noah, as I'm sure your parents are. Good luck in everything that you do.

Sincerely

Nyssa Gunn

ACCOMPLISHMENTS

- **SYNERGY Report Cards** – AI has worked extensively with teachers & administrators at H.E.S. to get our customized report card formatting completed. Once hand-written grades are entered for 1st Quarter, we should have an easy time submitting / publishing grades in the S.I.S.
- **Paging System at School District Office** – With vendor assistance, we have installed a paging system at the D.O. that covers the warehouse and Head Start offices. This capability is already in place at both school buildings- and will allow for easy notification in case of emergency, etc.

CHALLENGES

- **Loss of Electrical Power** – On 12/18/2025, the start of the Winter Break, high winds blew down a power line on Longwood Dr. – resulting in a loss of electrical power at all buildings, including sports facilities, etc. This extended outage results in a multitude of problems because of (1) damage to critical infrastructure (network switches, HVAC and Bell Commander PCs, etc.) and (2) reconfiguration of network resources based on TCP/IP addresses (camera servers, printers.
- **Network Performance** – We need vendor assistance to help with several core measurements and replacing older hardware. E-Rate money should assist with this project.

Sports Highlights:

We finished Jr High Girls Basketball and Jr High Wrestling prior to the break with both sports having successful seasons. We had a total of 19 wrestlers which is more than we have had in the 8 previous years combined.

We hosted our first Jr High Wrestling event in 8 years this year and it went very smoothly

We are currently in the middle of High School Wrestling and Basketball seasons with Jr High Boys Basketball just kicking off.

We also have a Bowling Club that is competing as well as that was started by Tanner Mannen as well as Mat Club which last, Thursday he had a turn out of 68 kids.

Ode to the Reedsport School Board (With Extra Applause)

It's School Board Appreciation Month, so pause and take a seat,
For a round of well-earned thanks (and cookies you can eat).
They read the stacks of paperwork, they ask the tough-but-fair,
They show up late at night because our schools matter *that* much to them—rare!

They juggle budgets, policies, and emails by the ton,
While calmly nodding through agendas longer than a marathon run.
They listen, learn, and lead with care, through sunshine and through fog,
Yes, even when the public comment clock feels like it's stuck on slog.

Chairman **Bonnie** keeps things moving—steady, thoughtful, kind,
With a gavel, smile, and focus that helps everyone stay aligned.
When conversations wander off (as meetings sometimes do),
Bonnie gently brings us back to students—front and center, true.

And **Directors**, with insight sharp and questions right on cue,
Brings experience and perspective to everything they do.
A steady voice, a thoughtful take, a calm and measured way,
Helping guide the district forward—one good decision at a day.

To every board member serving Reedsport's kids and crew,
Thank you for the time you give and all the work you do.
We see the hours, heart, and humor you bring along the way—
Happy School Board Appreciation Month... you've truly earned the praise!

Hello Sharmen

This is Richard Foltz.....Colleen Foltz's Brother.

We draw family names every year as a secret Santa gift exchange. I drew my sister Claudia Willis name for this year's family Christmas gift exchange. I thought a donation (On Claudia's behalf) to the place Colleen loved so much would be an appropriate gift this year.

Merry Christmas!

Any communication to Claudia about this gift would be appreciated
