

**Comes to Town With Education Talent Search**

# **Visit a Cheetah!**

**Saturday, April 10, 12:30 pm**

**RCCS, Rear Parking Lot**

---

**Masks and social distancing required for a Covid-safe event.**

**Use your own transportation and meet at the picnic shelter, pre-registration required.**

Wildlife Safari is the number two cheetah breeding facility on Earth and the number one breeding center outside of Africa. Safari works as a member of the Association of Zoos and Aquariums within the Species Survival Plan for cheetahs to ensure species propagation, variety and survival.

Some cheetahs become important ambassadors, and we're getting a visit from a Cheetah Ambassador!
